your metabolism working.

## How it Works

Organic, metabolism-boosting oolong keeps your body running smoothly with some extra help from a smidge of cayenne pepper. Pu-erh tea is packed with antioxidants for a healthier-looking appearance and herbs like ginger and cacao nibs give you an energy boost and create a natural detox.

## How to Use

Steep one to three teaspoons of the leaves in boiling water for two to three minutes. You can steep the leaves up to three times.

## Birchbox Breakdown

It's often said that beauty is only skin deep, but we know that it really starts from the inside. Drink to your skin's health with this rich tea blend created by esthetician and BijaBody Founder Melissa Pecoli. She created a fragrant, energizing tea with a slight bit of spice to keep you glowing from the inside out and
